

MAGNETIC LINERS

Featuring strong, rare-earth magnets, these durable liners reduce material sticking, reduce noise and provide superior protection in even the most demanding applications. Material thickness starts at ½".

WHAT MAKES OUR MAGNETIC LINERS TOUGH TO BEAT:

- // Easily fastens to steel without welding
- // Fully customizable
- // Available in various sizes
- // Available up to the below size: 45.25" x 92.5"
- // Available in the various thickness sizes:
Min Thickness ½"
Max Thickness 1¼"

Available in 6" - 9" diameter magnetic tube covers to conform tightly over steel pipes and spouts.

MAGNETIC FLEX & FLAT PATCHES

The Rhino Hyde Magnetic Patch, featuring rare earth magnets, quickly and easily seals worn spots in a variety of applications.

UNLIKE TAPE AND OTHER ADHESIVES, MAGNETS STAY SECURE REGARDLESS OF CLIMATE AND WITHSTAND HIGH LEVELS OF SHAKING AND IMPACT.

WHAT MAKES OUR MAGNETIC PATCHES TOUGH TO BEAT:

- // 100% reusable and magnetic - no welding, bolting, taping, or gluing
- // Adheres to a clean, metal surface and withstands shaking and impact
- // FDA compliant for dry bulk food handling and European Law EC 1935/2010 compliant
- // Saves on labor and time
- // Inquire about custom sizing
- // Flex Patch is grooved to conform tightly over steel pipes and spouts (7"+ diameter)
- // Flat Magnetic Patch includes a wire handle for easy placement and removal - even in elevated or confined areas
- // Flat Magnetic Patch Sizes:
1/2" x 6" x 6"
1/2" x 12" x 12"
- // Flexible Magnetic Patch Size:
1/2" x 9" x 12"
